

Workshops

There are some great workshops and sessions on offer for the *Moments to Learn* weekend. Presenters include local scrapbookers, complemented by our favourite Queensland scrapbooker Lin Smith. Examples are drawn from experienced scrapbookers with a variety styles.

1. Inspirations and Innovations workshop

A workshop full of inspiration. Be shown how to use new products and old forgotten products in a new way. Our shop will also present products fresh on the market. Also take away some inspiration for great creative gift ideas for teachers. No charge or booking necessary. No limit on numbers.

2. School Moments

A hands on workshop to create two memorable school pages, using coordinated materials (pages can be 2 separate pages or a double layout). The design is adaptable to various school themes and photo sizes. 16 places available. Cost \$15

3. 10 Life Lessons (theme adaptable)

A hands on workshop to create your own beautiful book on things you have learnt in life that you wish to share. It may be adapted to various other topics eg 10 reasons I love you, 10 things I want you to know etc. 20 places available. Cost \$22.

Please note: workshop payments with registration will receive priority.

Charity - Sunrise Children's Project

The Sunrise Children's Project helps orphans and children from extremely poor families in Uganda to attend school. It currently has temporary mud buildings, educating 230 children. Although an ambitious undertaking it is thriving under inspired support including co-founder, Briony Kaczmarek, a young Canberra teacher.

Funds are being raised for permanent buildings and a farm to grow food to feed the children, with future plans for an orphanage and medical facilities. A truly inspirational organisation!

Organisers

Moments that Matter - Family Moments is organised by keen scrapbooking members of Brindabella Baptist Church and other churches. We love scrapbooking and want to give other women the opportunity to 'escape' and enjoy time purely for themselves.

These events are non-profit. Any remaining funds go towards purchasing resources for future weekends and to a selected charity. (See previous page). We look forward to seeing you there ☺

Moments that Matter Moments to Learn A Scrapbooking Escape Weekend

Friday 12 – Sunday 14 June

2009

Escape for a fantastic
scrapbooking weekend

Moments that Matter – Moments to Learn

Our theme Moments to Learn inspires us to reminisce about the old school days as well as the learning we do throughout life. From blackboards and chalk, assignments and graduations through to lessons taught through life experiences - there is so much to reflect upon.

Naturally though, there are no limits on the topics you choose to scrapbook – the choice is yours!

Get away for the weekend and relax in a tranquil location and enjoy indulging in scrapbooking, as there will be plenty of time without putting everything away, lots of fun, sharing and learning moments. However, book early as our weekends sell out fast!
